Option B: This option allows access to a more restricted range of educational and cultural websites.	<input type="checkbox"/> Yes

As Principal I confirm the following on behalf of the school:

1. The school has completed and returned the 'Confirmation of School Internet AUP' Form (CAUP1 form) to NCTE Service Desk.
2. The School understands and accepts that online use via the Schools Broadband Network will be monitored by the Schools Broadband team.
3. School Authorities will inform staff and students that Internet and email use will be monitored and that inappropriate use of the service may result in sanction by the school.
4. The School understands and accepts that where a school is considered to be a risk to the schools broadband network, or is engaging in inappropriate online behaviour the Broadband Schools team reserve the right to take whatever actions are required to protect the network and other schools. This may require disconnecting the 'offending school' until the situation is resolved satisfactorily.
